THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/2 inch tires front and rear, is a family car of class and comfort, both in summer and in winter. For touring it is a most comfortable car. The large plate glass windows make it an open car when desired, while in case of rain and all inclement weather, it can be made a most delightful closed car in a few minutes. Rain-proof, dust-proof, fine upholstery, broad, roomy seats. Simple in operation. Anybody can safely drive it. While it has all the distinctive and economical merits of the Ford car in operation and maintenance. Won't you come in and look it over?

Y. W. C. A. Activities.

The story-hour club met Thursday afternoon in the city park between four and five o'clock with Miss Florer.

A most interesting hour was spent telling stories and discussing the various phases of story telling in general. At each meeting the girls will tell stories they have memorized and the class will discuss them with the sponsor.

On account of the rain at night many people were kept away from the Y. W. C. A. party at the Elks Hall. However, those who braved the storm and went, had a most enjoyable time. Community singing directed by Miss Emery Todhunter, was one of the events. Mr. W. J. Gresham brought down the house with a reading entitled, "His First Appearance in Public."

Everyone entered into the spirit of the games and it was difficult to know whether the children or the grownups enjoyed them most.

Punch was served by Miss Mosher.

The groom's attendants were his brother, Theodore Cole, of St. Louis, and Roe Clemens and Coleman Eckle, a brother of the bride. Preceding the ceremony Mrs. George Hubert Bates sang "Oh Promise Me," by DeKoven, and "All For You," by Geehle. Mr. Burtis M. Little was at the organ.

On Monday July 19th and continuing thruout the week, Dr. P. C. Holden, representative of the International Harvesting Company, will give a course in Vitalized Agriculture. Since this work is to be given in all the Rural Schools the coming year every teacher in Lafayette county should take advantage of this opportunity and take this course.
